

SFR office at the Wageningen Campus

The address of Plus Ultra is Bronland 12, Wageningen.

There are three Plus Ultra buildings on campus; **Schothorst Feed Research (SFR) is located in Plus Ultra I.**

Because parking in Plus Ultra's parking lot is very limited for visitors, we recommend using one of the public parking areas on campus:

- **P1, P2 and P3 (marked with a red circle on the map below)** are public parking locations. From these parking areas, it takes **5-10 minutes to walk** to the Plus Ultra I building.
- **Another option is to park at the Sports Centre (marked with a blue circle on the map).** From there, you can also reach Plus Ultra I by foot within a few minutes.

After arriving at Plus Ultra I, please call your SFR contact person so they can pick you up. If you do not have your contact person's phone number, you can check in at the front desk of Plus Ultra I and they will contact your host.
